

# Bursary Opportunities 2022

**At Saab, we constantly look ahead and push boundaries for what is considered technically possible. We collaborate with colleagues around the world who all share our vision – to make the world a safer place.**

Here's your chance: Saab Grintek Defence is offering bursary opportunities to innovative minds to meet global security challenges through defence solutions.

## Requirements

- You must be a registered student in a relevant field of study (see preferred fields) at a recognised South African tertiary institution
- You must not have any other bursary for the period for which you are applying
- You must be a South African citizen

## Preferred fields of study:

- B.Eng. Electronic Engineering
- B.Eng. Computer Engineering
- RF Microwave
- B.Eng. Mechanical Engineering specialising in numerical methods (Computational Fluid Dynamics and Finite Element Analysis)

## The bursary covers:

- Tuition Fees and Books
- Accommodation and Meals
- Laptop Allowance

**If you are a South African citizen, seeking an opportunity to further your studies, forward your CV, certified copies of your ID and Grade 12 certificate and your most recent university results to: [recruitment@za.saabgroup.com](mailto:recruitment@za.saabgroup.com) closing date 30 November 2021.**

We thank all applicants for their interest. Only short listed candidates will be contacted.
